lation than all the other Memphis daily

THE STRICKEN CITY. The change that has come over Memphis in the last four weeks is as sad as and makes the heart bleed for the city sight of the struggle of the Cuban peophils in the last four weeks is as sad as in makes the heart freed for the city sight of the struggle of the Cuban peofit is striking. There is very little business transacted anywhere in the city; very, very bitter. One feels at this hour dependence. Late accounts from the commercial activity restored, all this professional development. should be our busiest season, has a more sonified in the darkness, the silence and ration, and the insurgents stronger, if than depressing effect. Hundreds, it gloom, and was walking bodily-forth in not more successful, than ever. When than depressing effect. Hundreds, it gloom, and was walking bodily-forth in not more successful, than ever. When tain top, will pursu may be thousands, of private houses are search of victims! This is no farmay be thousands, of private houses are search of victims: This is no lar- we remember that these accounts countries will return to his distant home wre closed; they give no sign of life, and fetched idea, for even at noon-day through Spanish sources, they give ad- in laurel, while Minor, and Hatch stand as silent mourners of the terror- men can well imagine, wherever they ditional weight to the belief that the Crone, and Kennon will sleep in forgo stricken owners who have fled. Even go, the omnipresence of the monster Cubans are still making headway ten graves. The runaway doctor at midday these deserted homes, once disease. The cheerful light of morning against the enforced government of their country. Official reports always brings us hope, that ere another of their country. Official reports an easy harvest, while many of the have a funeral appearance; and though night the signs of a retreating enemy up to the sixth instant state that real workers will modestly drop back no person may have died of the pesti- will be palpable in the diminished num- the insurgents, one thousand strong, into their unsought offices. Oh! gratilence within them, or even have been ber of names on the death-roll and of surprised a Spanish column near Hol- tode; thou art indeed beautiful—to read prostrated by the disease before they new cases. But night comes and goes quin; that during the engagement the about. relously associates death-bed scenes, stroyer goes on with varying results. taken prisoner; and that the Spanish and the agony of broken hearts, with To-day the mortuary list is ten less or lost, in killed, wounded and prisoners, the closed blinds and the solemn stillness ten more than yesterday. To-morrow one hundred and twenty-five men. An- force at work on the streets, scraping of the never opening doors. Along the it is nearly the same. Thus we go on other body of insurgents in the central leaves together and burn of the never opening doors. Along the business streets proper, there is some show of commercial life; but it is little better than a show. Several of the ro-morrow, and to-morrow, and to-morrow, and to-morrow; report, were repuised with a loss of thir-robot to disappointment, and from department, under Maximo Gomez, at-ful lawn or flower-yard in spring. THE IRISH CONVENTION.

The Irish convention which has been in session in St. Louis the last two or three days, has received the most dened mules dash along at a spanking marked courtesies at the hands of the doctrine that all power is inherent in have to hold your nose while you take a doctrine that all power is inherent in have to hold your nose while you take a smalley for manners! I did that last plumes, snowy white or raven black as hospitable people of our sister city. the most familiar vehicle on the streets gates from the several States, and is one of Mempais. One would think of the best and wisest moves yet made at times that it was never out of by our Irish fellow-citizens. Its main sight. It is fast losing its ghastly the last three days, is to direct the great object, judging from the proceedings of with its hideous form. But it no longer tide of emigration daily flowing to this

which heretofore has characterized it.

The driver looks comfortable, the horses The driver looks comfortable, the horses of the coast, to homes leans, a subject of deep importance to a year? If this were done, I think are sleck and spruce, and show their of thrift and independence in the western farmers, as well as to river men. keeping, and the vehicle moves off to interior of our country. This convenkeeping, and the vehicle moves off to the bouse of death with the speed of a sporting four-in-hand dashing along Harlem road to the Jerome park races, Hariem road to the Jerome park races.

A slower page, of course, marks the progress of this death-carriage when it mays with its burden of wee through of the Irish emigrant. The Germans, Death is a demoralizer, and pestilence waits not for the nice etiquette of cerewarts not for the nice etiquette not fo waits not for the nice etiquette of cereworking capacity to the system of emimony. A tender regard for those yet

waiting behind their gilttering bars for customers who will not come. Like the famed Shakespearean figure of "Patience" accomplished an eversatile writers, without her substituted and successful generals, accomplished an eversatile writers, without here in the place in the plac famed Shakespearean figure of "Patience on a Monument," they are smiling at grief. There are no flaming bills on the dead walls now, telling an appreciative public of the wonderous things in store for them at the grand emporium genius of their race, into the common officer and enlisted man daily and I believe that no case house. There is no time now for the stock of American nationality. These of fever originated among the troop house. There is no time now for the mimic stage, for the whole city is a theater, in which the heavy tragedy of death is being performed. Alas! alas! for the mourning city! The churches, for the mourning city! The churches, to the level of their true worth. There to the level of their true worth. There to the level of their true worth. There are hundreds like them landing every are hundreds like them landing every ANN AREOR, MICHIGAN, October IX. men of Memphis, many of whom died, or are now dylng, at their post of duty, whose devotion to her people in their less clutches of city thieves and imposdirect hour of need and trouble she tors, and the more remorseless destiny have been with the sick of your cit should never forget, still perform divine which awaits them in the low haunts ever since the so-called yellow-fever service, but there are only few worshipers scattered in a forlorn way here and
there during the service. The pews
gape in a disagreeable manner, and
gape in a disagreeable manner, and

crowded tenement house in the back street of a city, the poor wages, insults and wrongs heaped upon them by the iron-hand of avarice and oppression—cheap lands in the west, upon which, as the wood cemetery the last long sleep of death! We miss them, and yet they seem to be in their places, so new is the vold that happy homes for themselves, and take and wards and maintain rank among the best citizens of the nation." It was well said, advise every person now well, who expects to remain in the city, to take a good dose of calomel and blue-mass good dose of calomel and blue-mass combined, dividing the dose into two cheap lands in the west, upon which, as Mr. Hogan, the delegate from Missouri, said "they could make prosperous and happy homes for themselves, and take and maintain rank among the best citizens of the nation." It was well said, in the meantime take three grains of the J. void they have made, so hard is it to realize that they are gone away on the wings of the postilence into the echoless land of spirits. Now and then a sound as of weeping escapes from some bereaved worshiper, who, on last Sabbert and maintain rank among the cest citizens of the mation." It was well said, in the meantime take three grains of quinine every night going to bed. If this remedy is taken, the liver medicine and quinine continued until we have a hard freeze, the cases would are living in slums of the great swamp-fever.

Swamp-fever. bath was here with her beautiful boy, cities; those who are employed with her bright little girl, her strong and on railroads, canals, public and private manly husband, her beloved father, mother, or friend, who, since then, has passed away from earth. Alas! there is like dogs by those over them." Judge attract so little attention; it was full of passed some for that leader has been down for the leader has been down for t passed away from earth. Alas! there is no balm for that broken heart should it Daley, of St. Louis, and Mr. Haggarty, serious consideration of those who truly fail to find any near the sanctuary of the house of God. The city schools are all closed. The merry hum of happy children's voices is hushed, and from the boulet of hushes of hushed, and from the boulet of hushes and house and providing the serious consideration of those who truly work in the interest of this unhappy city. Never did men work more fear-lessly and unselfishly than have our doctors for the past two months, and to individualize now, when the cholera is
